11,30 arrival in Rijeka, sightseeing

Rijeka is located on Kvarner Bay, an inlet of the Adriatic Sea. Croatia's third-largest city, Rijeka is a bustling blend of gritty 20th-century port and Italianate Habsburg grandeur. The most recognisable image of Rijeka is surely Trsat. The Trsat Castle represents a strategically embossed lookout on a hill 138 meters above sea level dominating Rijeka. It was mentioned as a parochial centre for the first time in 1288. The Trsat Castle is one of the oldest fortifications on the Croatian coast which preserves the features of the early medieval town construction. The plateau of the Trsat Castle offers a magnificent view of the area.
