

EXHIBITION POSTERS ON "TOTEMS"

INOVA - BE THE ROLE MODEL 2024

Dear Exhibitors,

The organizers will print your invention posters directly to so called "totems", so you will have them prepared upon your arrival to the exhibition.

We will set up everything as an open space concept which you had opportunity to see in the previous INOVA Show. Each Delegation will have their own spaces and hopefully it will be easy for you to just set up the inventions and decorate, with no need to lose time on putting up the posters.

You can sent prepare the posters in the maximum dimension of:

Width: 70 cm, Height: 200 cm

Or you can send the posters you already have and we will resize them proportionally to have a 70 cm width. It is up to you.
